### PRODUCT INFO

**FIREBULL Easy One-Touch Fire Extinguishers** quickly suppress fires indoors and outdoors with a simple point and press nozzle that offers up to 20 ft spray distance so you can extinguish fires from a safe distance.

**FIREBULL** is a non-toxic, non-hazardous, no-mess water-based fire suppression spray which is effective on Class A, Class B, Class D, and Class K fires.

**SPRAY DISTANCE: UP TO 20FT**  
**NON-TOXIC**  
**NON-HAZARDOUS**  
**NON-CORROSIVE**  
**PFAS-FREE**  
**RINSES CLEAN**

### INSTRUCTIONS

From a safe distance to the fire, shake can, aim at base of fire, and depress nozzle to issue a stream of cooling **FIREBULL** to the fire. Release nozzle to stop spray. Fully dispense **FIREBULL** when extinguishing the fire.

Clean **FIREBULL** residue with a damp cloth. Product will not stain or corrode.

Dispose of empty can in trash and replace with a new **FIREBULL Easy**

**FIREBULL AB** is the same fluorine-free, pfas-free formula currently used by fire departments worldwide to fight naturally occurring fires and flammable liquid fuel fires.
