

**Press Release – New Product**

## **McFarlane Offers Piper Seat Adjustment Springs**

**Replacement springs just got more affordable!**

Baldwin City, Kansas, February 08, 2012 - McFarlane Aviation Products is now offering FAA-PMA replacement seat adjustment springs for Piper aircraft at an affordable price. Eligible Piper models include PA-28, PA-32, PA-34, PA-44 and PA-46 series aircraft.

McFarlane Aviation Products has provided general aviation with high quality replacement aircraft parts at affordable prices for over 20 years. The new seat adjustment springs are just the latest in McFarlane's expansion of products for Piper aircraft. For more information on these and other new Piper products, go to [www.mcfarlaneaviation.com/piper](http://www.mcfarlaneaviation.com/piper) , or call 800-544-8594 or 785-594-2741.
