FEDERAL AVIATION ADMINISTRATION (FAA)-PARTS MANUFACTURER APPROVAL

Dear Mr. Brown:

In accordance with the provisions of Title 14, Code of Federal Regulations (14 CFR) part 21, Certification Procedures for Products, Articles, and Parts, subpart K, the FAA has found that the design data, based on Test and Computation and submitted by Premier Aerospace Services & Technology, Inc., with your application approved on October 17, 2016, meet the airworthiness requirements of the regulations applicable to the products on which the articles are to be installed. Additionally, the FAA has determined that Premier Aerospace Services & Technology, Inc., has established the quality system required by § 21.307 at 1601 Oklahoma Blvd. Alva, OK 73717. Accordingly, Parts Manufacturer Approval (PMA) is hereby granted for production of the replacement articles listed in the enclosed Supplement No. 18, 19, 20, and 21.

You are reminded that the provisions of 14 CFR parts 21 and 45, noted in our PMA letter of approval dated July 27, 2016, also apply to the enclosed PMA Listing-Supplement No. 18, 19, 20, and 21. The enclosed supplements should be retained with the original PMA letter as evidence of approval to produce the articles concerned.

Sincerely,

Kenneth Hickman
Manager, Oklahoma City Manufacturing
Inspection District Office

GENERAL NOTE:

Provide minor design changes in a manner as determined by the ACO. Process major design changes to drawings and specifications in the same manner as that for an original FAA-PMA.

The FAA accepted the ICA for the above articles with their designs. These ICA may refer to those of the respective articles from the holders of type certificates. Otherwise, provide supplemental ICA for differences in the replacement articles. Make referral statements or supplemental ICA readily available per 14 CFR 21.50.
